

The ensemble was custom made in 1913-1914 for a German client to extend his period home furnishing. The ensemble includes a matching bookcase and bench. The style mirrors the Biedermeier period in Germany of the early 1800s.

The instrument was housed in the famous Plaza Hotel in New York. The piano has been completely restored by Klavierhaus with new soundboard, pin block and action parts.

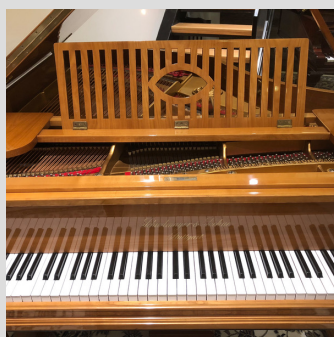

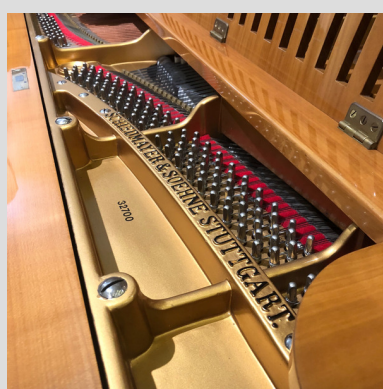

Our Prices Include:

- Main floor delivery in the Greater Toronto Area
- 10 year warranty
- Two in home services after the first year of purchase
- Matching piano bench and bookcase
